AMENDMENTS TO THE SPECIFICATION

Please amend the specification by replacing original paragraph 0053 with the following replacement paragraph.

--An implementation of these modules and techniques may be stored on or transmitted across some form of computer readable media. Computer readable media can be any available ~~tangible~~ media that can be accessed by a computer. By way of example, and not limitation, computer readable media may comprise "computer storage ~~media"~~ ~~and "communications~~ media."--

Please amend the specification by replacing original paragraph 0054 with the following replacement paragraph.

--"Computer storage media" includes volatile and non-volatile, removable and non-removable media implemented in any method or technology for storage of information such as computer readable instructions, data structures, program modules, or other data. Computer storage media includes, but is not limited to, RAM, ROM, EEPROM, flash memory or other memory technology, CD-ROM, digital versatile disks (DVD) or other optical storage, magnetic cassettes, magnetic tape, magnetic disk storage or other magnetic storage devices, or any other tangible medium which can be used to store the desired information and which can be accessed by a computer.--

Please amend the specification by deleting original paragraph 0055 it its entirety.
